

Who won the 2022 International battery energy storage Award?

On May 10th, local time, CATL won the 2022 International Battery Energy Storage Award (ees AWARD) for its pioneering outdoor liquid-cooled battery system EnerOne at The Smarter E Europe in Munich, Germany. The ees AWARD is Europe's largest p

What is ees Award 2022?

As an important event of The Smarter E Europe, the ees AWARD honours the innovative products and projects of future-oriented companies that play a key role in the success of the energy storage industry. Meanwhile, The Smarter E Europe will hold the ees Europe exhibition, which takes place from May 11-13, 2022, at Messe M&#252;nchen in Munich.

When is CATL presenting its full-scenario energy storage solutions at EES Europe 2022?

From 11th to 13th May, CATL presented its full-scenario energy storage solutions at ees Europe 2022 in Munich, Germany. This exhibition is the largest and most important energy storage exhibition in Europe, and CATL displayed cutting-edge p

What is CATL energy storage exhibition?

This exhibition is the largest and most important energy storage exhibition in Europe, and CATL displayed cutting-edge products covering the whole scenario of energy storage applications on the power generation side, transmission and distribution side, and power consumption side.

Is EnerOne a good energy storage cabinet?

The outdoor liquid-cooled energy storage cabinet EnerOne, a star product that won the 2022 EES AWARD, is characterized by long life, high integration, and high safety.

What is EnerOne battery energy storage system?

Contemporary Amperex Technology Co., Limited (China): EnerOne, the outdoor liquid cooling battery energy storage system (BESS) based on lithium iron phosphate (LFP), has a nominal capacity of 372.7 kWh with a surface area of just 1.69 square meters.
