Granada Batteries is a UK-based stockist of lithium batteries suitable for a variety of portable consumer electronic devices. Our lithium battery range is brought to you by Energizer, Panasonic and many more of the industry's leading manufacturers. Buy your batteries online today. [Load More ...](#)

Can I send lithium-ion batteries within the UK?

When exposed to high temperatures, lithium-ion batteries have been known to overheat and even explode. For this reason, we have some restrictions when sending lithium-ion batteries through our network. You can send lithium-ion batteries within the UK, as long as the battery is fitted within the device.

Who are the customers for our wholesale batteries?

Our wholesale batteries have a wide range of customers, including retailers, e-tailers, van sales operators, B2B, industrial users, alarm & security, theatres, and TV production companies.
