NO REGULATOR REQUIRED - The output pressure of the HydroFill(TM) had a great flow rate but it has always required an additional pressure regulator to work with float-based battery filling systems. This is an extra cost and complication that nobody wanted, so we designed in a pump which put out the same flow rate as the HydroFill Pro but at perfect 14.5psi (1 BAR) pressure ...

La empresa generadora de energía solar, Neoen, establecida en el país desde 2014, puso en operación comercial dos baterías con capacidad para almacenar un total de 11 MW/8MWh que funcionan ...
