

Who is Hangzhou future power technology?

Hangzhou Future Power Technology Co.,Ltd. is a high-tech company especially in the R&D ,production,sales and service of the polymer lithium-ion battery. Established in 1998,we are one of the earliest company in the field of polymer lithium-ion battery in China,with a registered capital of 180M CNY. .... [More]Forgotten password?

Who is Hangzhou skyrich power?

Hangzhou Skyrich Power CO.,LTD.(The former"Hangzhou Wanma High-Energy Battery CO.,LTD.")was established in 2002, advocating for environment friendly new energy industries as a responsibility, and devoting to the investigation, production and sales of high quality Li-polymer batteries.

What is lithium ion battery for electric mopeds & motorcycles?

On July 4,2018,the automobile industry standard &quot;lithium -ion batteries for electric mopeds and motorcycles&quot; undertaken by the company as the &quot;drafting unit&quot; was officially released by the Ministry of industry and information technology of the people's Republic of China,marking that the company has made remarkable achievements in this field.

What are the advantages of lithium automobile start battery?

Lithium automobile start battery have been successfully OEM in light truck commercial vehicles such as Futian,Jianghuai,Shanqi,Dayun,etc. the weight of the light truck equipped with lithium battery has been effectively reduced by 50 kg,which provides an optimal scheme for the lightweight design of all kinds of trucks.

Who is LiFePO4 battery manufacturer?

Established in 2005, Hangzhou Liao Technology Co., Ltd. is a professional high-tech enterprise located in Hangzhou, enjoying convenient transportation. We are fully committed to producing technologically advanced LiFePO4 Batteries. We have partnered with leading operators and manufacturers in the industry, including China Telecom.

What is livoltek BHF HV battery system?

The livoltek BHF HV Battery System is ideal for new installation of residential energy storage system. With high energy density,high efficiency,modular stacking design and IP65 level,BHF series battery is space-saving for indoor and outdoor installation. Up to 30 kWh system can fit your high energy demand.

Hangzhou Skyrich Power CO.,LTD.(The former"Hangzhou Wanma High-Energy Battery CO.,LTD.")was established in 2002, advocating for environment friendly new energy industries as a responsibility, and devoting to the investigation, production and sales of high quality Li-polymer batteries. Moreover Skyrich Power is a national key field High ...

Changzhou Hankun New Energy Technology Co.,Ltd. is best AGV Lithium Battery, Electric Robot Lithium Battery and Electric Bike Lithium Battery supplier, we has good quality products & service from China clude:ROTARY ...

Established in 2016, Hangzhou Speed Electronics Co., Ltd. is a national high-tech enterprise. ...

The company independent developed "small-sized high performance lithium iron phosphate ...
