

What is Sun store?

sun.store is a rapidly expanding online platform, a marketplace dedicated to the photovoltaics industry. The marketplace where installers can buy all the PV equipment they need - modules, inverters and batteries. We combine offers from hundreds of sellers across Europe, so it is easy to search and compare availabilities and prices.

How do I contact segensolar?

At SegenSolar, you have your own personal contact person with a direct telephone number and e-mail address right from the start. Do you have any questions about our products, services or would you like to become a customer? Simply fill out the form below and we will be happy to help you.

Is Sun store a good platform for distributors?

“Sun.Store is an exceptional online platform for distributors. Its intuitive design makes both product showcasing and finding desired items effortless. Direct communication and secure transactions make this platform a valuable resource for any distributor seeking online success. Highly recommended!”

Solar power made affordable and simple, for you! Unbiased advice, renewable energy systems for homeowners, businesses, contractors or DIY do-it-yourself weekend warriors. Find solar panels, solar kits, storage battery

If you are looking to purchase Solar Panels, I would highly recommend A1 Solar store. I did not have much knowledge on Solar Panels and/or the benefits of them. A1 SolarStore customer service and knowledge of their panels was outstanding. My purchase of the Silfab 400W panels was made easy and quick with a pick up location right in my area.
