

From patio awnings, pergola's and verandas to stunning outdoor living pods, Solar-Shield Exterior Shading Solutions has a variety of suitable options for your outdoor living space. We pride ourselves in providing exceptional products with total commitment to quality and service.

Patio covers, awnings, and gazebos can make outdoor space more comfortable and functional. New products on the market can take them a step further by turning your patio cover or gazebo into a mini power plant with the addition of solar panels. If you're considering upgrading to build a solar lounge, you may want to look into a solar patio cover or gazebo.

Patio covers, awnings, and gazebos can make outdoor space more comfortable and functional. New products on the market can take them a step further by turning your patio cover or gazebo into a mini power plant with the addition of solar panels .

Perfect for homeowners and business owners seeking shade and style, the Furrion Lumina solar-powered retractable awning is a motorized solution that redefines outdoor comfort. Embrace energy-efficient, green outdoor living with solar-powered operation -- a true industry-first, Furrion exclusive feature.

The LumiSolar awning provides up to 24 m² of shade, with dimensions of 6 metres wide and an impressive 4-metre projection - all without cables. Thanks to the integrated solar panels and batteries, there's no need for electrical wiring through walls or ceilings. This ensures a quick, hassle-free installation with no drilling or structural work.

The SunSetter Advantage. With more than 35 years of experience as America's favorite shade provider, we offer a simple solution that lets you not only beat the heat, but reclaim what's rightfully yours: your outdoor space.. Over 1,000,000 satisfied customers; Custom-built products without the custom-built price

I recently purchased a 28'x16-6 Eclipse Shading awning with Sunbrella Fabric. Every other awning dealer I checked could not supply me with an awning this size. Although this was not the least expensive awning i researched: as advertised it is one beefy, strong, bad ass awning. The lunar lighting package is awesome!!! If you want Quality when ...

Lumisol is the preferred awning on many patios. That's because of its subtle and timeless design and its versatility. Choose this custom-made awning with its simple closed cassette that fits on any facade. Do you want LED lighting in your awning? That's possible in the cassette, in the front bar or in the arms.
