

With the remoteness of the islands and limited access to centralised utilities, PCS also offers self supporting products suitable for the Vanuatu environment, including solar showers, hand spears, personal solar lighting and Lifestraw water filters.

Tongwei Solar (TW-Solar), a subsidiary of the Chinese Tongwei Group, sits at the top of the list as the largest solar panel manufacturer in the world. TW-Solar shipped a whopping 38.1GW of solar modules in 2022, doubling Trina Solar's shipments and achieving an annual revenue of USD \$20.57 billion (approx. \$16.20 billion).

Our services include annual panel cleanings, preventive maintenance, and PV system inspections to ensure optimal performance. We offer electrical testing, PV system monitoring, and performance analysis to guarantee the best results. These services can also be incorporated into your asset management plans for added convenience.
